THE SECRET TO STRONGER SKILLS?

Hi! i just wanted to thank you so very much for this program. i have been using a couple of your plans everyday (with rest days) and i have seen so so much improvement in my dancing! i can develop and kick so much higher, i can jump and leap higher, and my turns are way better than before!

Hi Katie, I'm on my way home from the studio, I just wanted to say that I'm starting to see results, my splits are flatter and my split leaps are a little bit straighter and higher!! And overall I feel like I'm improving and my teacher are telling me this as well!!! So thank you sm
